

TIPS FOR USING EACH CHARACTER STRENGTH IN A NEW WAY

Creativity

Think of one of your problems and two possible solutions. Present the solutions non-verbally as an act or mime to someone.

Curiosity

Try a new food for the first time, preferably from a culture different than your own.

Judgment

Ask one or two clarifying questions of someone who has a different approach to life or different beliefs than you (e.g., a vegetarian).

Love of Learning

Read some of the original works of Gandhi online.

Perspective

For one of your interactions today: First, listen closely. Second, share your ideas and thoughts.

Bravery

Take on a new adventure or hobby that fits with one of your areas of interest.

Perseverance

Complete a small project that you have been putting off.

Honesty

Write a poem that expresses an inner truth.

Zest

Exert your energy in a unique way – jump on a bed, run in place, practice yoga or body stretching, or chase around a child or pet.

Love

Surprise somebody with a small gift that shows you care (e.g., flowers, a Starbucks coffee).

General Kindness

Put coins in someone's parking meter that has run out of money.

Social Intelligence

Start up a conversation with someone whom you normally would not say much more to than typical pleasantries. This person might be the woman at the checkout counter, a telemarketer, or a new employee.

Teamwork

Spot and express appreciation for the strengths expressed by your team members.

Fairness

Look for beings (e.g., people, animals) that are cast aside or typically held in disgust and go out of your way to treat them right.

Leadership

Discuss with someone who reports to you about how they can align their top character strength more in their work.

Forgiveness

Let go of a minor irritant or a grudge.

Humility

Ask someone you trust to give you feedback on your struggles and growth areas.

Prudence

Before you make a decision that is typically very easy, take one full minute to think about it before you take action.

Self-Regulation

The next time you feel irritated or nervous today, pause and breathe with the experience for a count of 10 breaths.

Appreciation of Beauty and Excellence

Go outside and stand still in a beautiful environment for 20 minutes.

Gratitude

Tell someone "thanks" who deserves it and is typically not recognized.

Hope

Consider a problem or struggle you are having. Write down two optimistic, realistic thoughts that bring comfort.

🖵 Humor

Do something spontaneous and playful around another person (e.g., saying something silly, contorting your body in a weird way, or telling a funny story or joke).

Spirituality

Read about a religion/spirituality different from your own and look for ways in which the core messages parallel one another.
